Thompsons Continue the Family Legacy with Premier RV

ADVERTORIAL— Brad Thompson is no stranger to selling RVs. In fact, it's been a part of his life since he was a child. Brad's parents, Jim and Darlene Thompson, owned and operated an RV dealership for decades before passing ownership on to Brad and his four siblings. The siblings, Mark (Dawn) Thompson, Tim (Brenda Thompson), Jill (Larry) Tappendorf, and Ann (Paul) Thorndyke sold the business five years ago. Brad and his wife, Brandy, decided they weren't finished with the RV industry. In October 2021, the couple opened up their own dealership, Premier RV, in Blue Grass. The company prides itself on offering customer care that can't be found at the big box dealers. "We came up with a model when we started of what customers want & deserve. Every decision, we have that in mind," Thompson said.

Culture is important to the Thompsons, which led them to bring on many people who worked for their previous business. Nearly 80% of their current staff also worked at the previous family dealership. The team collectively has over 400 years of RV industry experience.

Premier RV sales team

We predetermine our lowest possible selling price and post it on selected RV models. It enables our sales team to spend more time focusing on the needs of our guests. Our prices are based on inventory levels, market analysis, huge volume discounts, and fully prepped out RVs with full factory warranties, all at the lowest prices in the country. This means NO haggling, gimmicks, high pressure, "make me an offer," "today only," or back and forth to management; just a stress free way to buy. Trade-ins would be gladly accepted on Super Value priced units at market values.
