RVDA Top 50 Dealership in the Country Press Release

[Blue Grass, IA] – Local business Premier RV was recently recognized as a 2024 RVBusiness Magazine Top 50 RV Dealers of North America before hundreds of colleagues, friends and family at a gala awards ceremony held in conjunction with the RV Dealers Association Convention/Expo in Las Vegas.

Brad and Brandy Thompson were thrilled to receive this award on behalf of their team in only their third year back in the RV business after owning and operating Thompson Family RV from 1957 to 2017 with their family partners Darlene (Jim) Thompson, Mark (Dawn) Thompson, Tim (Brenda) Thompson, Jill (Larry) Tappendorf and Ann (Paul) Thorndyke. Jason Rettler, VP of Service and Kayla Taylor, comptroller, also represented Premier RV leadership team in Vegas.

Now in its 13th year, RVB's Top 50 program is designed to recognize the very best RV dealerships in the United States and Canada. This season's run began earlier this year when RV manufacturers nominated elite dealer partners for consideration, who were then invited to complete comprehensive application materials. An anonymous, independent panel of judges, all with decades of experience in the RV industry, then convened for two days of review and selection to arrive at the Top 50 and its special awardees.

The RVB Top 50 Awards event has become a centerpiece of the Convention/Expo, thanks to a flourishing partnership between RVB and RVDA as well as support from program sponsors Aircel, Brown & Brown Dealer Services, Cummins, GE Appliances, Genesis Products, Northpoint Commercial Finance, NTP/STAG, Performance Brokerage Services, Protective Asset Protection, RV Trader and Wells Fargo.

"It's amazing to be recognized as part of one of the best teams in the country," Brad Thompson stated. It's no wonder why Premier RV separates itself from the over 3000 RV Dealers in the country with its over 400 years of combined RV experience, transparent, no fee pricing structure, A+ BBB rating, and 4.9 Google reviews.

Program Administrator BJ Thompson explained that Top 50 designation has little to do with sales volume; judges evaluate dealers on sound business practices, marketing savvy, proactive employee development, community involvement and commitment to high-quality customer care.

"Throughout the RV industry's evolution, the one constant is the need to take care of people – the RVers themselves, as well as their staff and their neighbors," said Thompson. "Holding up these awardees as examples each year illustrates all the good things happening in our industry, and inspires others to do more of the same. Everyone wins." Premier RV is proud to carry on the legacy of the Thompson Family and its team. With this award Premier RV and Thompson Family RV have won this award a total of 3 times out of the last thirteen years even with a 5 year hiatus out of the Industry. Premier RV has over 200 new and used RVS in stock on their 9 acres, 25000 square ft dealership just 5 miles west of Davenport, IA in Blue Grass, IA.

2025 KZ Connect Advantages

- Over 50 years of experience
- Backed by Thor Industries – the #1 manufacturer in the industry
- True 2-year manufacturer warranty vs one year with competitor's
- 3-year structural warranty
- 1-piece, seamless, Tufflex roofing material w/lifetime warranty
 - 3/8" decking allows it to be 100% walkable
 - The 100% PVC material doesn't need a wear layer like competition's roofs
 - High solar reflectivity
 - Flexible and incredibly puncture resistant
- Laminated Azdel composite panels – No mold, mildew, rotting or warping
 - 50% lighter than wood
 - Unaffected by temperature and humidity changes
 - Superior thermal insulation
- 5/8" tongue & groove plywood floor decking allows for a more residential style construction
- Beauflor flooring in slideouts
- Climate package includes heated and enclosed underbelly
 - Two ways of heating the underbelly (forced and radiant) extends your season
- NXG Huck bolted & powder coated Frame
 - American made w/ HSLA – High strength low alloy prime steel
- Nitrogen filled Goodyear tires w/aluminum wheels
- RV airflow system – 40% more efficient than standard air systems
 - Captures 100% of the air in the ducts
 - Consistent airflow throughout the camper – meaning your camper cools faster
 - This also means less time = less energy consumption
- KZ Engage: Powered by OneControl w/5" Screen control system
 - Monitors tank levels & battery levels
 - Controls slide rooms, leveling system, awnings, inside/outside lighting
 - Prepped for TPMS to be added
- Hand-Crafted Mortise & Tenon cabinet doors w/ Rich Woodbridge Maple cabinetry

2025 GSL Fifth Wheel Advantages over the Competition

- 60 years of RV experience
- Part of the Jayco Family since 1991
- Magnum Roof System:
 - o Reinforced crowned truss roof rafters w/ 3/8" fully walkable roof decking
 - Strength tested to 4500lbs – up to 50% stronger than the competition
 - o Screwed not stapled construction
 - Reduced chance of fasteners coming loose & puncturing the rubber roof material
 - o 7" header beams between the roof and slide out openings
 - Similar to load-bearing areas in home construction
 - o Thicker wood instead of aluminum – Vertical 2X2" studs
 - Maximizes load capacity
 - Provides smoother edges to run wiring which greatly reduces risk of electrical shorts
 - o Oversized nail plate joint fasteners attached to both sides of the trusses
 - Tighter trusses = less chance of movement
 - PVC roof membrane w/ limited lifetime warranty
 - TuffShell – Vacuum bonded laminated walls reinforced w/ heavy-duty fiberglass & welded aluminum frames
 - o 144 tons of pressure applied for 18 minutes to ensure 100% adhesive coverage & curing
- Laminated Block foam floor
- 100" Wide-body construction on all GSL fifth wheels
- Equa-flex axle suspension system
- o Brass hanger bushings w/wet bolt
- Levelloc – 4-point automatic leveling w/ JT's Strong Arms
- Xtend Solar I pkg - Standard w/ 200watts of roof mounted solar & 30amp controller
- Fully enclosed underbelly w/ ducted heat & cold air return
- Enclosed exterior docking station w/ black tank flush
- o Enclosed cable operated gate valves as well
- 10CuFt 12V Fridge
- 75Lb ball bearing drawer guides
- Flush floor slide out w/ residential vinyl flooring
- Hardwood cabinet doors and slide out fascia
- Roller blackout night shades
- 15k BTU main AC standard w/ 2nd AC prep/option
- Keyed-Alike entry and baggage doors
- Painted fiberglass front cap w/ LED lighting
- TravelLink – Smart RV system
- Bluetooth ceiling & exterior speakers
- 60X80" residential queen bed
- 50-amp service is standard on all GSL fifthwheels

Advantages over the Competition

- Mid-high profile - Industry First (79'6" Bedroom Height)
- Azdel exterior walls
- Alpha bond mylar seal on all seams - No caulk to seal
- Skirting metal is riveted vs screws - Best finish in the market
- Maintenance free roof
 - Industrial gasket seals (same as what is used in houses in Florida)
 - Additional MS polymer for peace of mind
 - 25-year warranty on roof membrane
- 370 watts of **standard** roof solar
 - 50a MPPT Charge controller
 - Inverter prep with whole coach inversion
- 17.5" h-rated cooper tires with custom rim
- TPMS system with 2.5" screen is **standard**
- 7k axles w/road defense powder coating
- Self-adjusting brakes
- MORryde cre 3000 w/1/2" shackle brackets, bronze bushing and greaseable zirks
- 75gal fresh tank capacity, true 90gal grey and 45gal black
- Electric dump valves w/clear termination tank cover
- Motion sensing under mounted lighting
- 65' retractable water hose reel
- Brass water fittings vs plastic
- Tankless on-demand water heater
- "Junk in the trunk" insulated and heated 48x40x15 rear storage
- Upgraded rear receiver w/ 3000lb towing cap and 300lb carrying cap
- Residential interior that is staple and putty free
 - Integrated window screen and insulated blackout blinds
- 16 CuFt 12v fridge with full access when slide out is closed
- Flush-floor main level slide out rooms
- Cabinet ducted heating w/thermaflex heat ducts that won't kink or tear
- Water shut-off valves at all fixtures

SCHEDULE YOUR SPRING APPOINTMENT NOW!

With over 400 years of RV experience, Premier RV has the service department you can trust.

Did you know? Manufacturers recommend:

- 1) Preventative sealing all windows, doors and extrusions on your RV every 6-12 months?
- 2) Wheel bearings and brakes adjusted once a year or 12,000 miles Adding grease to the buddy bearings is not the same and typically customers will add too much causing problems.
- 3) Clean and condition your rubber roof at least once a year.

Servicing your RV on a regular maintenance schedule is necessary to ensure its safety and reliability
